

End of Lease Cleaning Checklist

What we clean, what costs extra and how to get your rental ready. For homes in Canberra and Queanbeyan.

Fill this in on your phone or computer, or print it on A4. Save it and email it back to us with your agent's checklist. Version: September 2026.

Have a checklist from your real estate agent? Send it to us before your quote. We'll review it alongside our checklist and confirm the cleaning tasks and any additional services required for your property.

We'll tell you which items are part of your quote, which cost extra and which are outside our services. Agencies ask for different things, so not every item on an agent's list is part of our standard price. Email it to info@aussieduocleaningservice.com.au.

2. Before we arrive

Please do these before the clean	Done
Send us your real estate agent's checklist, before your quote, so we can confirm the tasks and any extras.	☐
Remove all belongings and furniture, including items in cupboards, the garage and on the balcony.	☐
Remove all tenant rubbish, from inside, the garage, balcony and yard. We only take away our own cleaning waste.	☐
Keep the power and hot water on, we need both to clean properly.	☐
Arrange access, a key, lockbox or your agent. Please tell us by phone or email, not on this form.	☐
Empty the fridge, freezer and dishwasher, if they belong to the property and stay behind.	☐
Book a few days before your final inspection, so the inspection falls inside our 5-day re-clean window.	☐

3. Room-by-room cleaning checklist

Everything on this page is part of our standard end of lease clean. Our team ticks each task as it's done. Starting prices are \$220 for a studio to \$385 for 3 bedrooms (GST included), and your quote confirms the exact price.

Carpet and mattress prices apply when booked with your end of lease clean. We check the carpet before we start, and if hot water extraction isn't the right choice, we'll tell you. Outside windows aren't part of our standard end of lease clean. If your agent asks for them, add our window cleaning service to your quote.

5. Exclusions and cleaning limits

Services we don't offer • Rubbish removal (please remove all rubbish and belongings first) • Mowing, gardening, weeding or clearing yard rubbish • Gutter cleaning, and sweeping paths • Flea, pest or pet fumigation treatment • Repairs or replacements, such as damaged flyscreens, walls or fittings • Cleaning inside air conditioning ducts, or supplying new filters • Wet-cleaning fabric blinds	Cleaning limits Cleaning, not repairs. We remove dirt, grime and removable marks. We don't patch, paint, repair or replace anything. A few marks are permanent. Most wall marks, pet stains and surface mould come off. A few can't, such as stains set deep into grout or silicone, damaged paint, burns, and oil soaked into concrete. We'll let you know about those. Specialist treatment. We clean surface mould in wet areas. Specialist mould remediation and pest treatment aren't part of our service. Our 5-day re-clean. If your agent finds anything on our checklist that we missed, tell us within 5 days of the clean and we'll come back and re-clean it free. We also give you an invoice for the clean and any carpet cleaning to show your agent.
